### *Anchors A-Whay*

In 1855, the schooner *Morning Star* carried  
fresh dairy products from Tillamook,  
Oregon up the coast to Portland.

Today, our products return the favor  
by carrying a small *Morning Star* on  
each package.

## WHAT'S IN A NAME?

"Tillamook" is a Native American  
word for "land of many waters."  
Most of the people who live here  
pronounce it "TILL-a-mook."  
Our dairy cows, however, usually  
prefer to say "Till-a-MOOO."
